Skyline
~~Starlight~~

a few weeks after
Robert had died horribly,
of AIDS, I ran into his
best friend in a café. I
gave her my condolences
but could just never
saying "Too bad he didn't
do more with his life!"
(he was, I mean, a brilliant
artiste maudit),
so she turned to scrap
over the table
countenance with "Get u-
ough the years

In the Rare Book Room at the Library

The young man behind the front desk smiles at me as he checks out my book.
He's no beauty but that
my hearing aid, my knees
turn to jello.
So I have to stagger
to a nearby table, sit
down and pretend to
read my book.

~~Yesterday~~

~~Talk~~ Talky on him
as he does his work.
He smiles at Evelyn
the way he used to and
Byrons he's forgotten
I excit.
Yet as yesterday
I think up ~~other~~ other
work. I can work
To's for me.
